

Wear It Pink Day

On 21 October we all wore pink to raise money for Breast Cancer Awareness, donating monies collected to help make life-saving research happen.

Hampers to help our patients

Our seasonal hampers are now ready for identified patients, a big thank you for contributions from our staff.

BP station

Please visit our BP station in the waiting room, follow instructions, take your BP, write details on paper provided and hand to the clinician during your appointment, or to the front desk.

New Staff

Welcome to the new members of our team

- Claire (Reception)
- Lisa (Reception)
- David (Practice Nurse)
- Asal (Pharmacy Technician)

Happy Retirement

Two of our staff members are retiring

- Jackie, after 16 years of service
- Linda, after 4 years of service

We wish them a long and happy retirement. We will miss you.

Flu and COVID Clinics

We have organized 3 Flu and 3 COVID Clinics and have had a great response. To date, we have given

- Flu jabs - 3710
- COVID booster jabs - 3558

Statistics

- Over the last 3 months we have – 698 DNAs from face-to-face appointments. Average of 54 DNA /Week.

 **BIG THANK YOU** - to members of our Patient Participation Group who came to help during Covid and Flu Vaccination Clinics.
